PNG Air Adds Weekly Wednesday Flight to Mendi to Support Passengers Affected by Hagen Runway Works

PORT MORESBY, Papua New Guinea – PNG Air has introduced an additional weekly flight to Mendi (MDU), operating every Wednesday from 30 September 2026, to support passengers affected by runway works being carried out by the National Airports Corporation (NAC) at Kagamuga airport, Mt. Hagen (HGU).

The additional Wednesday MDU service will run until 15 October 2026, providing affected Hagen-bound passengers with an alternative routing option during this period.

We have also boosted the number of flights out of Goroka. Passengers who would prefer an alternative to Goroka (GKA) flights are encouraged to contact PNG Air call centre or visit their nearest sales office to arrange their travel.

PNG Air thanks passengers for their understanding as we work to minimize disruption during this period of essential airport infrastructure works.

For reservations and rebooking enquiries, please contact PNG Air call centre via email on callcentre@pngair.com.pg.
